

Crazy Bridge

OK, it's not really Bridge, but it *is* crazy! There is no bidding, no dummy and no honor count as in Bridge.

Rules

- Each tricks counts 10 points. Due to rules for the hand, it is possible to get a negative score for a hand.
- Cut for the first deal, highest card deals first.
- No Jokers. Deal out all cards in the deck. Each player will have 13 cards.
- Play partners. The side taking the most tricks is the winner for that hand.
- Change tables after each round of 4 hands. The team with the best score for that round is the winner for that round. Winners move to the next table and change partners. Losers stay put, but change partners as well.
